

All parties inc 2 x Tenpin Bowling, welcome drink and Christmas trimmings!

The Christmas Party They'll All Enjoy

Celebrate your **Christmas party** with a night to remember this year in Guyhirn.

Embrace the banter as you duel it out across the **ten pin bowling lanes**, share stories of how you clinched victory from the jaws of defeat as you're tucking into **traditional Christmas fare** with all the trimmings (don't forget your hat from the cracker) in the air-conditioned **restaurant**.

With optional bumpers to make sure everyone can join in the fun and automated scoring that will settle the score over the discussion of how the bowling went down in the fully licensed bar, you're sure to bring friends, family or work colleagues together to make your Christmas a special one this year.

Enjoy a bit more adrenaline based activity?

You've got the perfect chance to fire the boss or shoot your fellow work colleagues this year in the **purpose built Laser-tag arena**.

With minimum numbers, you can even secure your own exclusive use of the arena.

Whatever the age range of your party, everyone can get involved, that's why these Christmas parties are ones they will **all enjoy**.

Whether it's bowling, Lazer-tag or a combination of the two, you can **design your own party** to suit your needs.

To **secure your favoured party date** call us on: **01945 450629**, it's the surest way to make sure your party happens when you want it. If you prefer email then pop a date request or any questions to: **mail@play2day.eclipse.co.uk**

With packages starting from just **£20 per person**, it won't break the bank this year either.

See you soon, **Play2Day Party Team**
